MEPA-LT-01

Leaf-cascade chandelier

A suspended cloud of hand-shaped stainless-steel leaves with a warm sunset-rose finish. Integrated LED points make the metal glow from within; designed for hotel lobbies, majlis and double-height reception areas.

Material	Stainless steel
Finish	Decorative sunset rose (other colours on request)
Light source	18 × 2 W LED, 3500K
Typical size	3.0 × 1.2 m (made to measure)
Supply	Design, shipping, handling and installation
Warranty	12 months from installation

Every piece is customised: size, finish, colour temperature and dimming. Send us ceiling height, void dimensions and reference images for a design proposal.

MEPA-LT-02

Shaded ribbon sculpture

Flowing translucent acrylic sheets graded from clear to blue spiral through the void, lit from the ceiling by COB LED spots. A statement piece for atriums, staircases and mall voids.

Material	Acrylic sheets, clear-to-blue gradient
Suspension	1.2 mm stainless-steel wires
Light source	COB LED, 3500K–4000K, 45° beam
Typical size	Ø1.24 × 2.5 m up to 5 × 4 m
Supply	Design, shipping, handling and installation
Warranty	12 months from installation

Every piece is customised: size, finish, colour temperature and dimming. Send us ceiling height, void dimensions and reference images for a design proposal.

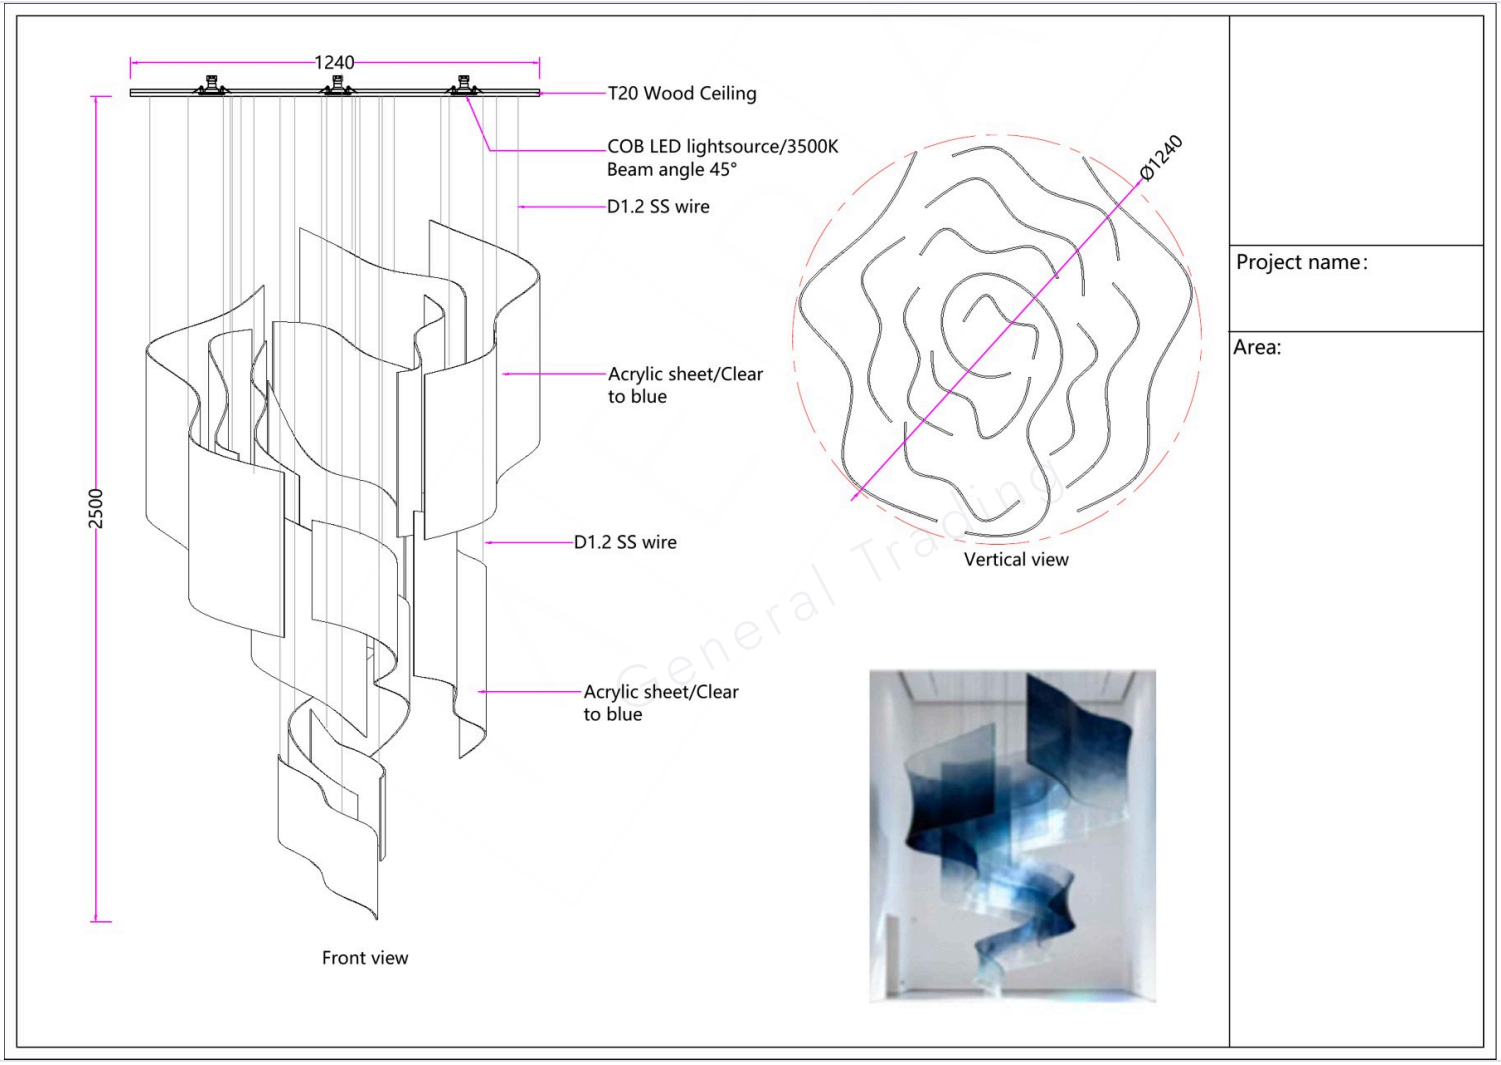

General Trading

Engineering

From concept to shop drawing

Every piece is developed into a dimensioned shop drawing before production: elevations, plan view, materials, suspension and light source, for approval by the consultant and the client.

MEPA-LT-06

Glass leaf cloud

Hand-formed clear glass leaves drift over a dining or boardroom table in a light, airy cloud, with warm accents picked out in gold.

Material	Hand-formed glass leaves, gold accents
Light source	Integrated LED, 2700K–3000K
Size	Matched to table length and ceiling height
Supply	Design, shipping, handling and installation
Warranty	12 months from installation

Every piece is customised: size, finish, colour temperature and dimming. Send us ceiling height, void dimensions and reference images for a design proposal.
